YMCA–YWCA Capital Campaign Update 30

April 2, 2009

WE ARE IN THE STATE CAPITAL BUDGET!

Both the House and Senate capital budgets were made public yesterday afternoon and we are in both for \$3,500,000 plus the \$800,000 for YM Youth Recreation that we told you about in an earlier update! Obviously, this won't be final till the end of session on April 26, but we are in a great position now that we are in the Governor's capital budget, the Senate capital budget, and the House capital budget. We have a lot of local elected officials to thank for their ongoing support and for including us in their respective capital budgets:

We would encourage you to take a few minutes and join us in saying thanks to our elected officials. They are in the middle of a grueling legislative session and recognizing them for the positive way they are representing us would be most welcome.
