YMCA–YWCA Capital Campaign Update 9

April 23, 2007

STATE BUDGET INCLUDES OUR PROJECT FOR \$2.5 MILLION

We are delighted to report that the approved State Capital Budget announced over the weekend includes our “Your Y” capital project in the budget for \$2.5 million! This is in addition to the \$800,000 CTED grant that we had already announced that was also included in the approved State budget.

This is great news for our campaign which now stands at 46% of our goal. We have received widespread support for our project and we would ask that when you are in contact with any of our elected officials from the State that you thank them for their support of our project.
