This is terrific news for our campaign which has now officially crossed the \$19,000,000 mark in fundraising.

### **MAJOR GIFTS BRIEFINGS BEGIN**

A series of major gifts briefings are now underway with Major Gifts Campaign Co-Chairs **David & Leah Barbieri** and **Mark & Sarah Neupert** having hosted the first two in their homes. Numerous other briefings are now scheduled and will be held over the summer with the intent of telling our story to dozens of additional prospective donors.
