YMCA–YWCA Capital Campaign Update 25

September 2, 2008

---

## **CTED YOUTH RECREATION GRANT**

Our “Your Y” campaign has received a significant boost from the WA Department of Community, Trade and Economic Development. We have now received notice that the YM youth recreation portion of our Central project has been recommended to receive \$800,000 of funding in the 2009-2011 Biennium. This award is a part of a competitive grant process that evaluates and actually ranks projects based upon how they stack up against competing proposals in the state.

Out of the thirteen projects in the State recommended for funding, ours was the only one recommended from Eastern Washington and was ranked #1 in the state!

## **TWO NEW \$25,000 GIFTS**

We are grateful to also acknowledge and thank two new donors to our campaign at the \$25,000 level:

- **Kathryn Barbieri**...special thanks to the Barbieri Family for their continued generous support of our campaign.
- **Dr. Elizabeth Welty**...Dr. Welty has been an enthusiastic, long-time supporter of the YWCA and we greatly appreciate this generous contribution.

## **OUR NEW CAMPAIGN TOTAL**

This brings our new, up-to-the-minute campaign total to **\$31,476,263** or **78%** of goal!
