YMCA–YWCA Capital Campaign Update 17

November 9, 2007

---

## **NORTHWEST FARM CREDIT SERVICES GIFT**

We are delighted to report that **Northwest Farm Credit Services** has generously made a \$50,000 pledge to our capital campaign.

Special thanks to the Northwest Farm Credit Board of Directors, CEO **Jay Penick**, and Assistant VP **KayDee Gilkey** for their terrific support of our campaign.

## **PAYNE FINANCIAL GROUP GIFT**

We have just received word that the **Payne Financial Group** has made a commitment to invest \$25,000 to our capital campaign.

Thanks to **Bill Wrigglesworth** and **Gerry Bulger** for their involvement in our campaign and for their generous support.

## **ADDITIONAL ALLOCATEES HAVE BEEN SECURED**

Now in addition to the **National Development Council (NDC)** providing New Markets Tax Credits support for our Central project we also can welcome and confirm the support of two other well known Community Development Entities. They are **Local Initiatives Support Corporation (LISC)** from New York City and **US Bancorp CDE** from St. Louis. This is great news for us as it still allows our NMTC deal to be completed and closed by year end.

## **GROUNDBREAKING NEXT WEEK**

You are all invited to attend our special groundbreaking ceremony on Thursday, November 15 at 10:30am at the site of our new Central facility. Demolition of the existing building is well on its way and should be completed about the day of the groundbreaking. We hope to see you then!

## **OUR CAMPAIGN WEBSITE IS NOW LIVE**

Check it out at [www.yourycampaign.org](http://www.yourycampaign.org) Special thanks to the **BCi Creative** staff members **Kim Boston** and **Kati Lutz** for the exceptional job they have done in working with our campaign staff to develop a dynamic and informative website.
